Franklin County Recreation News!

Greetings Franklin County Recreation Member!

Thank you for continuing to support Franklin County Recreation as we provide you the best activities in the area. We enjoy the friendships we have with each and every one of you. We have some exciting changes to share about our registration process that we think you’ll like!

Online system ready for testing
Our new system is up and running, however we are still working out some issues. If you are interested in trying the system and giving us feedback, please let us know and we will set up a training on how to use the system and access to select your wishlist activities for the winter catalog. Once you try the new process, you will be able to give us direct feedback on what worked and how easy or difficult the system was to access and use. We have tested it several times, but we know what we are looking for and how it is supposed to work.

If we feel that an activity will sell out quickly, we will pre-purchase a limited number of tickets to ensure we are able to attend this activity. These tickets will be available on a first come first served basis. Once the allotted tickets are gone, we will try to purchase additional tickets if any are available. If additional tickets are not available, we will indicate that on the calendar.

Please update your information to make sure you don’t miss out! We hope that you are enjoying attending our activities and we want you to continue participate, but if you received an enrollment form along with your fall catalog, that means we don’t have the correct information for you. This could be your last catalog until your information is updated. Please understand this is very important – we truly want to provide you with the best possible service.

How will I update my information?
Once we have the system fully up and running we will have a series of training sessions in the community and at ADD on how to use the system, log in, update information and select activities.

Thank you for your cooperation – we hope you’ll join us!
We know that there is going to be a learning curve as everyone adjusts to having this new system. We will hold several training sessions throughout the quarter as well as have computers set up in our office with evening hours to ensure that everyone gets trained on how to use the system. Until we have completed all trainings we will enter the activities into the system.

ALONE TIME
Franklin County Recreation’s definition of alone time is: All members must have sufficient alone time to cover the activity they have chosen to attend. Recreation members with insufficient or no alone time must have a support person attend recreation activities with them. For example, if the activity lasts 2 hours, the member must have 2 or more hours of alone time to attend the activity; if not, a support person must stay at the activity with the member. Franklin County Recreation does not provide direct supervision for individuals with insufficient or no alone time for the duration of the activity and time for pick up if they are without staff.

If you have any questions or concerns, please don’t hesitate to contact me immediately. We look forward to making it easier for all of our members to sign up for the activities they want without the wait time they don’t want!

Sincerely,

Carla Stokes

Happy New Year Franklin County Recreation Members! This winter quarter we will be introducing new activities such as Bingo in Reynoldsburg and Family Feud night at Hollywood Casino.

Two new activities we will be utilizing are the brand new entertainment center, Scene 75 and the historic Victoria Theater! The Victoria Theater in Dayton prides itself on providing a venue for all forms of the performing arts.

We also can't wait to have you join us at amazing shows visiting Columbus, such as Jeff Dunham, Disney on Ice and Dancing with the Stars, to name but a few!

As always, what we do at Franklin County Recreation wouldn't be possible if it weren't for you, the members. Your enthusiasm and excitement constantly inspires us to think outside the box to bring you the newest trends and activities to explore. Please bring any ideas for new activities, or even activities we have done before; and if you want to see again, bring it to our attention and we will make it happen! Here's to another amazing quarter with Franklin County Recreation! Welcome to 2020!

Members who have not paid or reached out to recreation prior to the deadline will be dropped from prepaid activities.

RECREATION POLICIES

Attendance — We look forward to seeing you at activities! Attendance is very important. Your attendance may affect your eligibility to participate in activities the following session. If you have 4 unexcused or 6 excused absences during a session, you will be unable to participate in any remaining activities and will not be added unless confirmation of attendance is received for activities in the next session. If you are dropped from activities due to poor attendance, you may still attend recreation dances and bowling.

Franklin County Recreation does not provide direct supervision for individuals with insufficient or no alone time for the duration of the activity.
