

Play, Learn and Grow

Hattie Larlham youth volunteers: A free social group for children 6-13 years old

Have fun, play, learn and grow. Children six to 13 years old participate in activities and crafts, play games and socialize with peers and children who live at Hattie Larlham.

Your child will learn teamwork, peer interaction and compassion for people with disabilities, all while having fun.

The youth volunteer program is free to all six to 13 year-old children. This includes the children of Hattie Larlham employees and children who live in the community.

The program is led by two staff on the second Wednesday of every month.

Reserve a place for your child at these upcoming volunteer sessions:
